Preferred Apple Mac Software:

QUARK EXPRESS files are preferred, but we do also accept **PHOTOSHOP**, **ILLUSTRATOR**, **INDESIGN** files and **HIGH-res PDF's**

Please set ALL artwork at 25% with a 3mm bleed in CMYK

- Create the overall design as one scaled document with 3mm bleed on outside edges
- Please provide hard copies of artwork files. If artwork is sent via website, please include a PDF.
- Files can be accepted on CD or DVD's, or can be uploaded onto our website.
- If an accurate colour match is required please supply a Pantone colour or send a printed reference. We will then match to this as closely as possible but cannot guarantee an exact match

Note: Gloss or Matt laminate may have a different appearance to anything you have had printed previously.

- Allow time for proofing to avoid problems.
- Supply **ALL** screen and printer **fonts** with your artwork, alternatively, supply text as Vector outlines.
- Include any TIFF, JPEG's or EPS files used in the artwork. **Photoshop files & JPEG's should be saved at 320dpi at 1/4 size.**
