

## Flying, Feather and Wing

Our Flying, Feather and Wing banners are ideal for outdoor promotions and events. Simple to transport and set-up, they are weatherproof, colourfast and washable so you can use them time and again. A variety of base units means they can be seated on any surface, either individually or as a cluster for maximum effect.

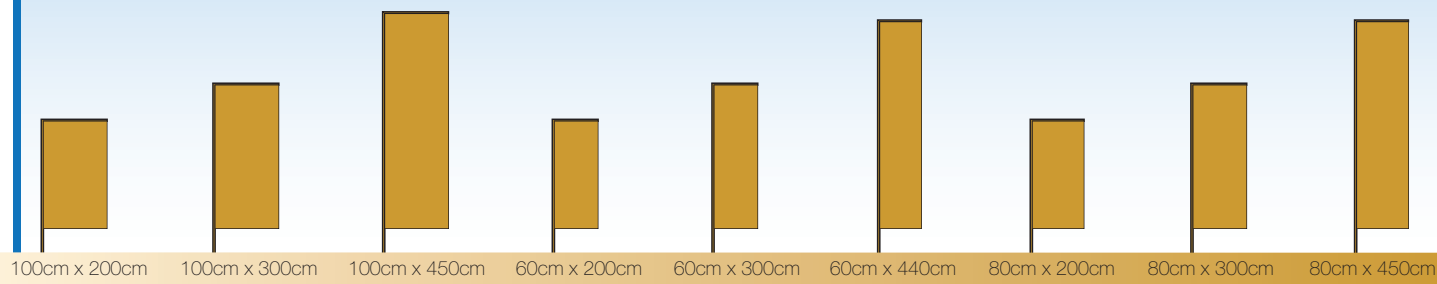

### Features

- Quality seams and workmanship
- Exclusive treated fabrics
- UV resistant & Windproof
- Simple handling & no tools required for setup
- Single or double sided
- Can print different images on each side of the banner
- Superior rotating stake with ball bearings
