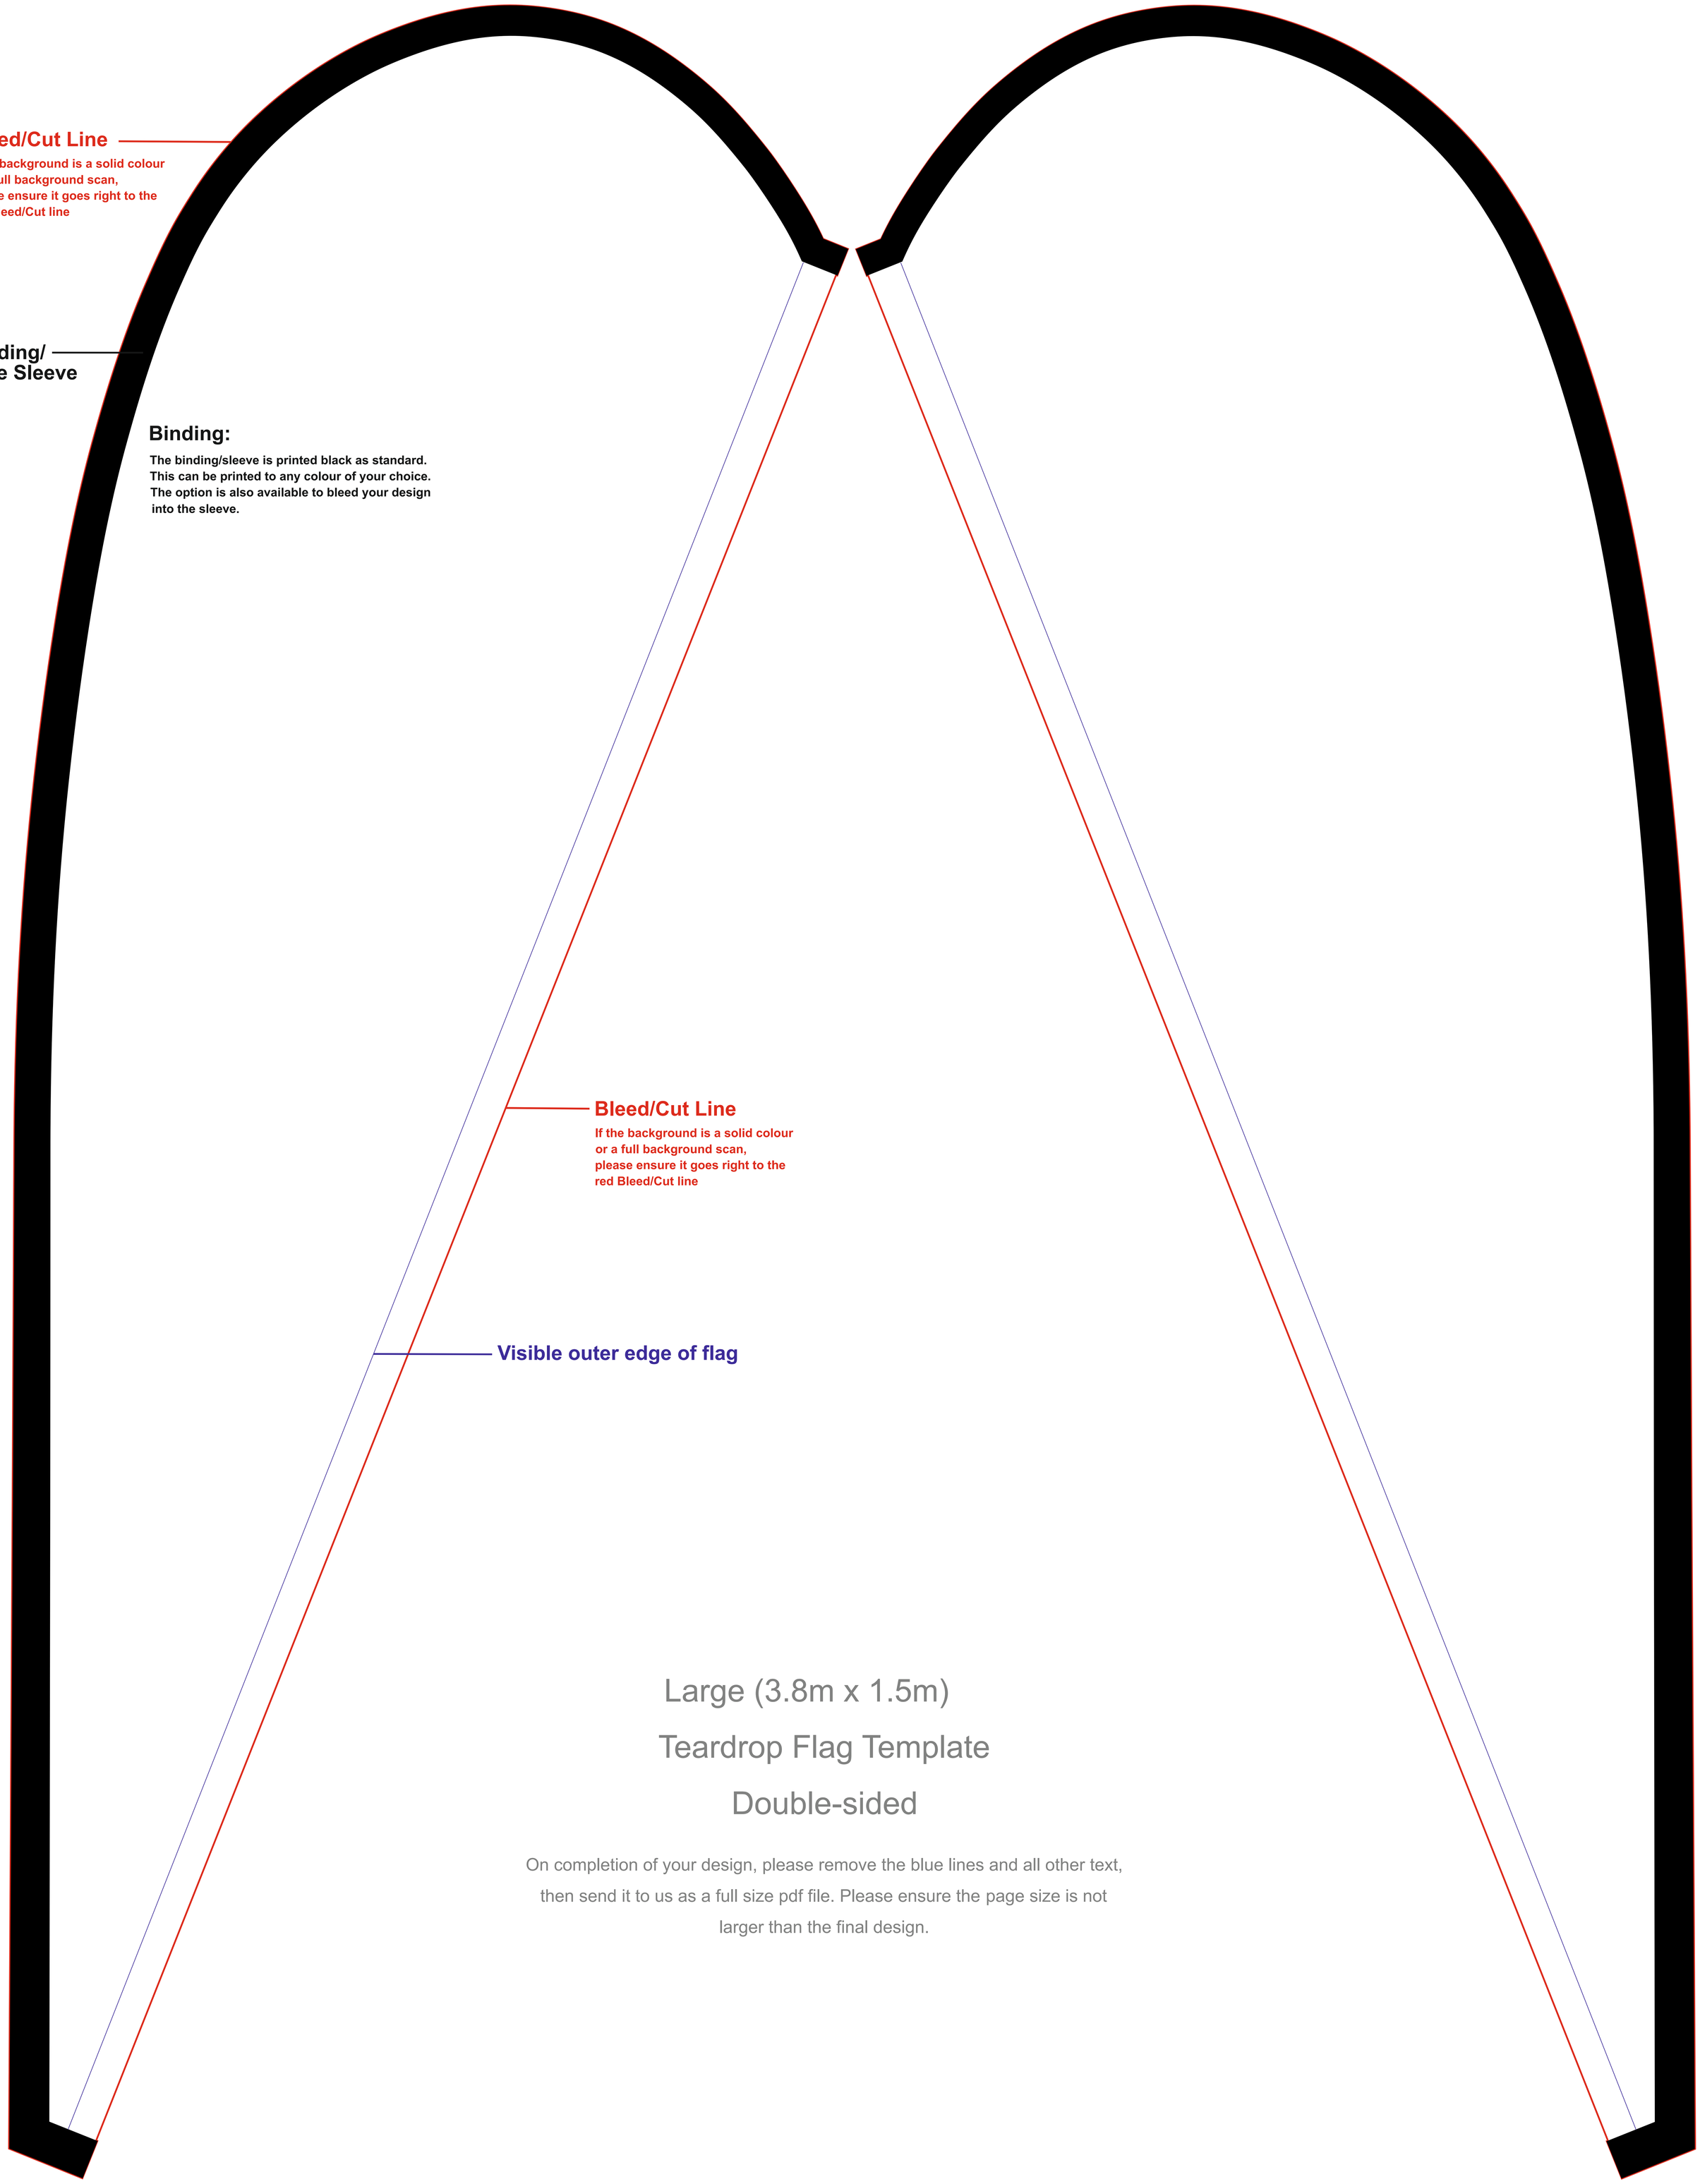
Bleed/Cut Line

If the background is a solid colour
or a full background scan,
please ensure it goes right to the
red Bleed/Cut line

Binding/
Pole Sleeve

Binding:

The binding/sleeve is printed black as standard.
This can be printed to any colour of your choice.
The option is also available to bleed your design
into the sleeve.



Bleed/Cut Line

If the background is a solid colour
or a full background scan,
please ensure it goes right to the
red Bleed/Cut line

Visible outer edge of flag

Large (3.8m x 1.5m)

Teardrop Flag Template

Double-sided

On completion of your design, please remove the blue lines and all other text, then send it to us as a full size pdf file. Please ensure the page size is not larger than the final design.
